ISLA

Serie / Series

La forma è il riflesso dell'intelligenza progettuale, caratterizzata da linee essenziali e profili morbidi che interagiscono armoniosamente con l'architettura dello spazio. Ogni dettaglio è concepito per trasformare il bagno in un ambiente che riflette il proprio stile di vita, dove l'eleganza emerge dalla sintesi, senza compromettere il design raffinato e la qualità dei materiali.

The form is a reflection of design intelligence, characterized by essential lines and soft profiles that harmoniously interact with the architecture of the space. Every detail is conceived to transform the bathroom into an environment that reflects one's lifestyle, where elegance emerges from synthesis, without compromising refined design and material quality.

VEGA

I bordi si fanno più morbidi, trasmettendo al contempo un senso di solidità, mentre una linea elegante circonda lo spazio con grazia e fluidità. La sua forma rappresenta un perfetto equilibrio tra tensione e rilassamento. Un profilo armonioso e contemporaneo che si adatta a qualsiasi tipo di arredamento.

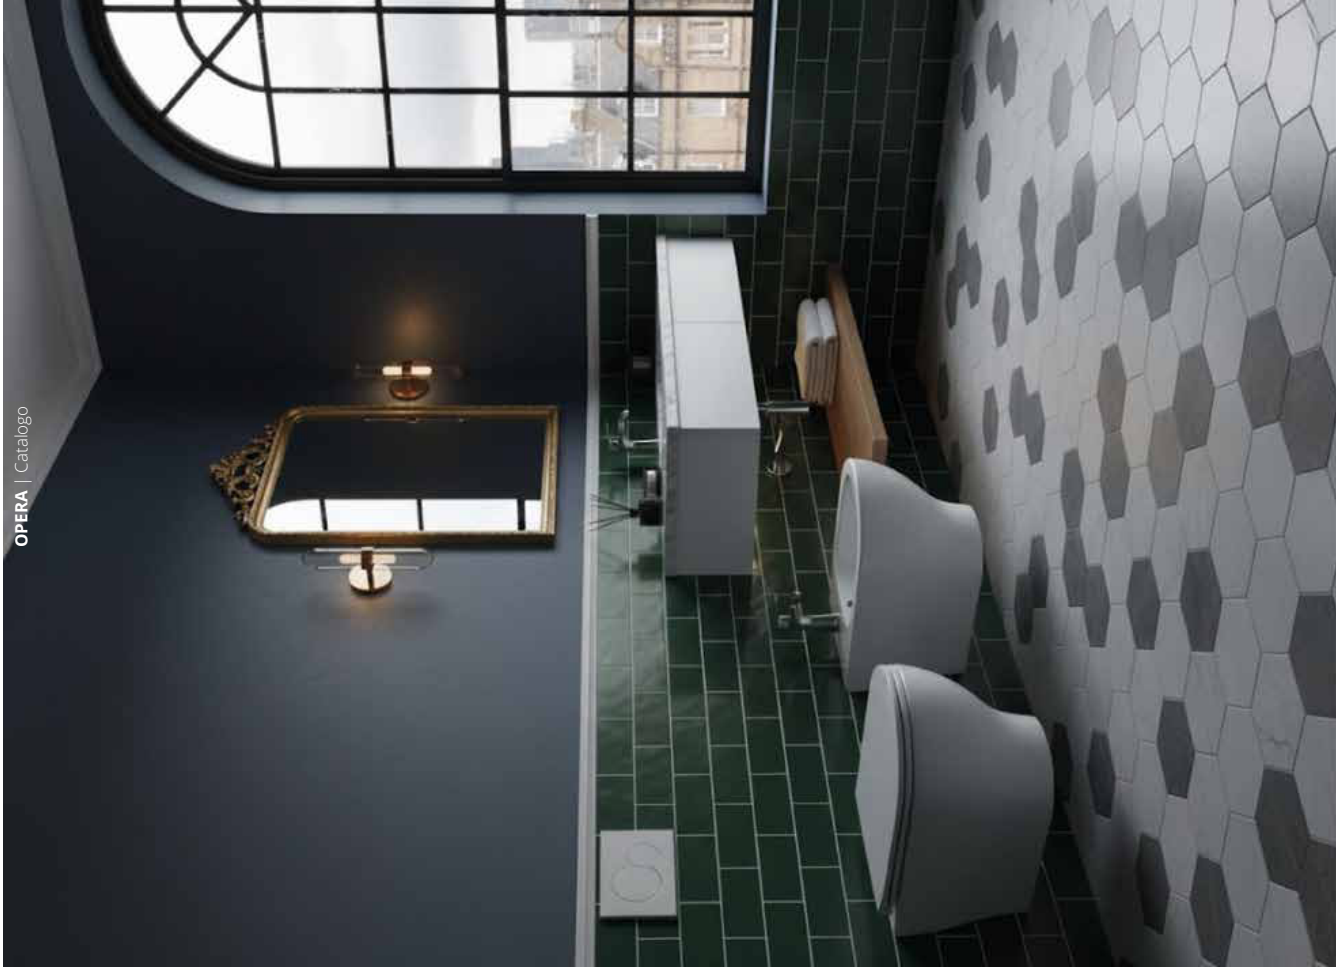

The edges become softer, conveying a sense of solidity, while an elegant line surrounds the space with grace and fluidity. Its shape represents a perfect balance between tension and relaxation. A harmonious and contemporary profile that adapts to any type of décor.

The background of the page features a large, abstract graphic. A thick, solid teal band curves from the left side towards the bottom right. Overlaid on this and the white background are numerous thin, wavy, gold-colored lines that flow from the top left towards the bottom right, creating a sense of movement and depth.
