F5 L'essenza del materiale
The essence of the material

Highlights

COSTRUZIONE E SOLIDITÀ
CONSTRUCTION AND STRENGTH

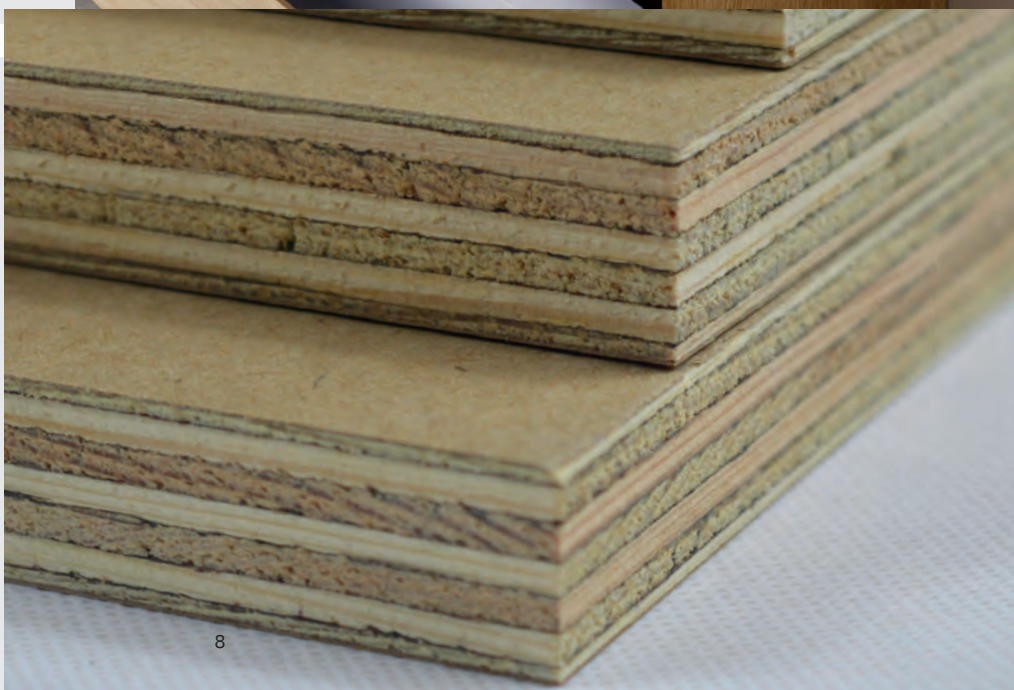
Il mobile è assemblato mediante un sistema incollato con spinotti, utilizzando pannelli di 19 mm di spessore che garantiscono grande stabilità strutturale. Integra inoltre un sistema di sospensione con dispositivo anti-sgancio che assicura sicurezza, durata e affidabilità nell'installazione.

The furniture is assembled using a glued dowel system, with 19 mm thick panels that provide excellent structural stability. It also incorporates a suspension system with an anti-detachment device that ensures safety, durability, and reliability during installation.

FINITURE
FINISHES

La gamma F5 offre una selezione curata di finiture laccate e laminate effetto legno che esaltano l'essenza del materiale. Queste combinazioni apportano calore, contrasto e versatilità estetica, permettendo di configurare mobili contemporanei adatti a diversi stili.

The F5 range offers a carefully selected range of lacquered and wood laminate finishes that enhance the essence of the material. These combinations provide warmth, contrast, and aesthetic versatility, allowing the configuration of contemporary furniture adapted to different styles.



GARANZIA
WARRANTY

La gamma F5 offre una garanzia straordinaria di 5 anni, supportata dalla qualità del compensato marino, della ferramenta e del sistema costruttivo. Garantisce la massima sicurezza, stabilità e affidabilità in progetti residenziali e contract.

The F5 range offers an outstanding 5-year warranty, supported by the quality of the marine plywood, hardware, and construction system. It guarantees maximum safety, stability, and confidence in residential and contract projects.

DESIGN 45°
DESIGN 45°

Il design con giunzione a 45° definisce un prodotto di tendenza e innovazione. Questa soluzione costruttiva apporta continuità formale, precisione nell'assemblaggio e dettagli artigianali di alto valore aggiunto che rafforzano la personalità e la qualità percepita del mobile.

The 45° mitered design defines a product aligned with trends and innovation. This construction detail provides formal continuity, precision in assembly, and high-value artisanal details that reinforce the personality and perceived quality of the furniture.

CASSETTI ULTRASLIM A ESTRAZIONE TOTALE
ULTRASLIM DRAWERS WITH FULL EXTENSION

I cassetti Ultraslim da 2 mm combinano minimalismo strutturale e alto valore estetico. Il loro profilo metallico sottile, con estrazione totale e sistema Soft Close, garantisce apertura completa e chiusura ammortizzata, integrando regolazione tridimensionale senza utensili e maggiore capacità interna.

The 2 mm Ultraslim drawers combine structural minimalism with high aesthetic value. Their slim metal profile, with full extension and Soft Close system, ensures complete opening and smooth closing, incorporating tool-free three-dimensional adjustment and greater interior capacity.

COMPENSATO MARINO
MARINE PLYWOOD

I mobili della gamma F5 sono realizzati interamente in compensato marino da 19 mm. Il compensato marino è un legno con un assorbimento d'acqua quasi nullo, molto resistente all'umidità e al calore.

The furniture in the F5 range is entirely made from 19 mm marine plywood. Marine plywood is a type of wood with almost zero water absorption, highly resistant to humidity and heat.

PIANI E SPECCHI
COUNTERTOPS AND MIRRORS

F5 integra piani in ceramica, solid marble e porcellanato, oltre a soluzioni da appoggio. Gli specchi retroilluminati includono sistema antiappannamento e sensori di illuminazione, con regolazione della temperatura e dell'intensità della luce.

F5 integrates ceramic, solid marble, and porcelain countertops, as well as countertop solutions. Backlit mirrors include an anti-fog system and lighting sensors, with adjustable light temperature and intensity.

Highlights

SPECCHI LISCI E RETROILLUMINATI
PLAIN AND BACKLIT MIRRORS

La collezione F4 integra specchi lisci e retroilluminati con tecnologia LED, sistema antiappannamento e sensore touch On/Off. Offrono illuminazione uniforme, comfort visivo ed efficienza energetica e incorporano la nuova soluzione di mobile specchio AURA, che amplia funzionalità e capacità di stoccaggio.

The F4 collection integrates plain and backlit mirrors with LED technology, an anti-fog system, and a touch On/Off sensor. They provide uniform lighting, visual comfort, and energy efficiency, and incorporate the new AURA cabinet solution, which enhances functionality and storage capacity.

FINITURE
FINISHES

La gamma F4 offre una selezione curata di finiture laccate e laminate effetto legno che esaltano l'essenza del materiale. Queste combinazioni apportano calore, contrasto e versatilità estetica, permettendo di configurare mobili contemporanei adatti a diversi stili.

The F4 range offers a carefully selected range of lacquered and wood laminate finishes that enhance the essence of the material. These combinations provide warmth, contrast, and aesthetic versatility, allowing the configuration of contemporary furniture adapted to different styles.

DESIGN
DESIGN

La gamma F4 presenta un prodotto contemporaneo e commerciale che combina design e funzionalità. La struttura incorniciata, la maniglia a profilo integrato, le fresature decorative e le finiture con effetto 3D apportano personalità, contrasto visivo e grande versatilità estetica.

The F4 range presents a contemporary and commercial product that combines design and functionality. The framed structure, integrated profile handle, decorative grooves, and 3D-effect finishes provide personality, visual contrast, and great aesthetic versatility.

COSTRUZIONE E SOLIDITÀ
CONSTRUCTION AND STRENGTH

Il mobile è assemblato mediante un sistema incollato con spinotti, utilizzando pannelli di 19 mm di spessore che garantiscono grande stabilità strutturale. Integra inoltre un sistema di sospensione con dispositivo anti-sgancio che assicura sicurezza, durata e affidabilità nell'installazione.

The furniture is assembled using a glued dowel system, with 19 mm thick panels that provide excellent structural stability. It also incorporates a suspension system with an anti-detachment device that ensures safety, durability, and reliability during installation.

CASSETTI ULTRASLIM A ESTRAZIONE TOTALE
ULTRASLIM DRAWERS WITH FULL EXTENSION

I cassetti Ultraslim da 2 mm combinano minimalismo strutturale e alto valore estetico. Il loro profilo metallico sottile, con estrazione totale e sistema Soft Close, garantisce apertura completa e chiusura ammortizzata, integrando regolazione tridimensionale senza utensili e maggiore capacità interna.

As gavetas Ultraslim de 2 mm combinam minimalismo estrutural e elevado valor estético. O perfil metálico fino, com extração total e sistema Soft Close, garante abertura completa e fecho amortecido, incorporando ajuste tridimensional sem ferramentas e maior capacidade interna.

PIANI
COUNTERTOPS

La gamma F4 offre diversi piani progettati per integrarsi con il mobile, disponibili in materiali come ceramica, solid marble o porcellanato. Le loro finiture e formati permettono soluzioni da appoggio o integrate, combinando resistenza, design contemporaneo e facile manutenzione.

The F4 range offers different countertops designed to integrate with the furniture, available in materials such as ceramic, solid marble, or porcelain. Their finishes and formats allow for countertop or integrated solutions, combining durability, contemporary design, and easy maintenance.

SPECCHI COMPATIBILI
COMPATIBLE MIRRORS

La serie ICON è compatibile con un'ampia gamma di specchi NOFER, permettendo di configurare insiemi coordinati dal punto di vista estetico e funzionale. Questa integrazione facilita soluzioni complete per il bagno, ottimizzando coerenza visiva, installazione e adattamento a diversi progetti.

The ICON series is compatible with a wide range of NOFER mirrors, allowing the configuration of sets that are aesthetically and functionally coordinated. This integration facilitates complete bathroom solutions, optimizing visual coherence, installation, and adaptation to different projects.

FINITURE
FINISHES

I mobili F2 sono disponibili in una gamma di finiture che combinano laccato Bianco lucido e legno laminato ART. Queste opzioni consentono di creare composizioni equilibrate e contemporanee, apportando luminosità, calore e versatilità estetica all'insieme del bagno.

F2 furniture is available in a range of finishes that combine Gloss White lacquer and ART laminated wood. These options allow the creation of balanced and contemporary compositions, bringing brightness, warmth, and aesthetic versatility to the bathroom as a whole.

CASSETTI IN LEGNO
WOODEN DRAWERS

I mobili F2 sono dotati di cassetti in legno con finitura antracite che apportano calore e resistenza. Integrano un sistema di estrazione parziale e chiusura silenziosa, garantendo un utilizzo comodo, ordinato e funzionale nella vita quotidiana.

F2 furniture is equipped with wooden drawers in an anthracite finish that provide warmth and durability. They incorporate a partial extension system and soft closing, ensuring comfortable, organized, and functional everyday use.

PIANI
COUNTERTOPS

I mobili F2 sono offerti in formato PACK con la soluzione di piano in ceramica Volterra con finitura Bianco lucido. Questa configurazione garantisce integrazione estetica, elevata resistenza e facile manutenzione, apportando funzionalità e praticità all'insieme del bagno.

F2 furniture is offered in PACK format with the Volterra ceramic countertop solution in Gloss White finish. This configuration ensures aesthetic integration, high durability, and easy maintenance, providing functionality and practicality to the bathroom as a whole.

COSTRUZIONE E ASSEMBLAGGIO
CONSTRUCTION AND ASSEMBLY

Il mobile F2 è assemblato mediante un sistema incollato con spinotti, utilizzando pannelli da 16 mm con certificazione CARB2. Integra inoltre un sistema di sospensione con dispositivo anti-sgancio che garantisce stabilità, sicurezza e affidabilità nell'installazione.

The F2 furniture is assembled using a glued dowel system, with 16 mm panels certified CARB2. It also incorporates a suspension system with an anti-detachment device that ensures stability, safety, and reliability during installation.

DESIGN
DESIGN

La gamma F2 propone una soluzione funzionale pensata per l'uso quotidiano. Il suo design compatto ed equilibrato risponde alle esigenze del bagno di tutti i giorni, offrendo un prodotto pratico, accessibile e facile da integrare in diversi spazi.

The F2 range offers a functional solution designed for everyday use. Its compact and balanced design responds to the needs of daily bathroom use, providing a practical, accessible product that is easy to integrate into different spaces.

Semplificare la gestione delle vendite è un aspetto importante della nostra metodologia di lavoro. Abbiamo creato un nuovo strumento di "Pacchetti suggeriti" in cui si trovano insiemi composti da: il mobile, il piano e lo specchio.
Ognuno di questi insiemi ha un unico codice e un prezzo che semplifica la gestione degli ordini. Inoltre, il prezzo del set è lo stesso della somma dei tre articoli acquistati separatamente.
Simplifying sales management is an important aspect of our working methodology. We have created a new "Suggested Packs" tool where you will find sets composed of: the furniture unit, the countertop, and the mirror.
Each of these sets has a single code and a price that streamlines order management. In addition, the price of the set is the same as the sum of the three items purchased individually.
