WELCOME TO ADATTOCASA

Nel 1980, dallo spirito imprenditoriale di Lorenzo Buccioli, nasce Legnox, un'azienda specializzata nella produzione di componenti per mobili. L'esperienza e il know-how di Legnox hanno portato alla creazione del marchio ADATTOCASA per arredare gli ambienti bagno con gli stessi valori dell'azienda: qualità certificata, avanguardia tecnologica, servizio al cliente e rispetto per l'ambiente. ADATTOCASA è un marchio di arredobagno attivo in Italia e all'estero, ma è anche un partner affidabile per i tuoi progetti e una realtà in continua evoluzione.

In 1980, from the entrepreneurial spirit of Lorenzo Buccioli, was born Legnox, a company specialized in the production of furniture components. The experience and know-how of Legnox led to the creation of the brand ADATTOCASA to furnish bathrooms with the same values of the company: certified quality, cutting-edge technology, customer service and respect for the environment.

ADATTOCASA is a bathroom furniture brand active in Italy and abroad, but it is also a reliable partner for your projects and a constantly evolving reality.

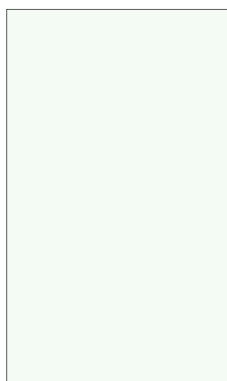

IDEE, FORMA E MATERIA

Attraverso materiali certificati e processi produttivi controllati, le idee prendono forma. Nella filosofia di AdattoCasa i materiali sono l'espressione tangibile di un design attento alle esigenze del cliente, in linea con le tendenze e rispettoso dell'ambiente. Per questo vengono impiegate solo materie prime ecosostenibili per la realizzazione di ambienti bagno moderni e green. Il rispetto dell'ambiente nello svolgimento di ogni attività è un impegno costante che AdattoCasa estende al controllo della filiera produttiva per garantire prodotti di qualità.

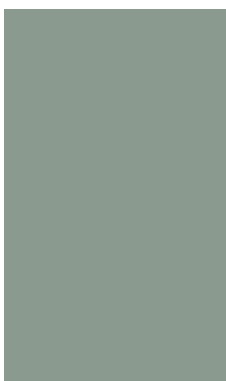

Ideas, design and materials . Through certified materials and controlled production processes, ideas take form. In the philosophy of AdattoCasa the materials are the tangible expression of a design that is attentive to customer needs, in line with trends and the respect for the environment. This is why only eco-sustainable raw materials are used to create modern and green bathrooms. The respect for the environment in carrying out every activity is a constant commitment that AdattoCasa extends controlling the supply chain to guarantee quality products.

RIGO

COLLECTION

L'ESTETICA DELLE ANTE E CASSETTI È SOTTOLINEATA DAL MOTIVO RIGATO ORIZZONTALE CHE CREA ZONE DI OMBRE E DI LUCI MODULATE CON RITMO. LA MANIGLIA È SAGOMATA DALLA FORMA SINUOSA E INTEGRATA AI FRONTALI. LA COLLEZIONE RIGO PERMETTE CONFIGURAZIONI VERSATILI DAL DESIGN CONTEMPORANEO, AI SISTEMI DI MOBILI COMPONIBILI SI AGGIUNGONO PENSILI A GIORNO E SPECCHIERE. I MOBILI ACCOLGONO TOP CON LAVABI D'APPOGGIO O LAVABI INTEGRATI.

The aesthetics of the doors and drawers are underlined by the horizontal striped pattern which creates areas of shadows and lights modulated with rhythm. The handle is shaped with a sinuous shape and integrated into the fronts. The Rigo collection allows versatile configurations with a contemporary design; open wall units and mirrors are added to the modular furniture systems. Vanities accommodate worktops with over counter washbasins or integrated washbasins.

DOMUS

COLLECTION

IL SAPIENTE GIOCO 'PIENO-VUOTO' DEI VOLUMI E L'UTILIZZO DI MATERIALI DIVERSI
ABBINATI TRA DI LORO SONO LA CARATTERISTICA DI DOMUS. IL MODULO BASE
È DISEGNATO DA UNA CORNICE DI FORTE SPESSORE. OFFRE LA POSSIBILITÀ DI CREARE
COMPOSIZIONI CON VANI APERTI O CHIUSI CON UNA SOTTILE MANIGLIA,
PIANI DI APPOGGIO E PRATICI PORTA ASCIUGAMANI. SOLUZIONE CHE VALORIZZA
L'AMBIENTE BAGNO TRASFORMANDO L'ELEMENTO FUNZIONALE
IN ELEMENTO DECORATIVO.

The clever 'full-empty' play of volumes and the use of different materials combined with each other are the characteristic of Domus. The basic module is designed by a very thick frame. It offers the possibility of creating compositions with open or closed compartments with a thin handle, support surfaces and practical towel holders. Solution that enhances the bathroom environment by transforming the functional element into a decorative element.

FINITURE

FINISHES

LE FINITURE HANNO UN'IMPORTANZA FONDAMENTALE NELLA DEFINIZIONE DELLO STILE DI UN AMBIENTE. LA PERCEZIONE DELLO SPAZIO PUÒ VARIARE SECONDO I COLORI E I MATERIALI UTILIZZATI. GLI EFFETTI CHE SI POSSONO OTTENERE CON LE FINITURE SONO MOLTEPLICI: TONO SU TONO O ACCOSTAMENTI IN CONTRASTO.

The finishes have a fundamental importance in the definition of the style of an environment. The perception of space can vary depending on the colors and materials used. There are many effects that can be achieved with the finishes: tone on tone or contrasting combinations.

LAVABI

WASHBASINS

IL LAVABO È UN ELEMENTO DI USO QUOTIDIANO, CHE DEVE QUINDI ESSERE ESTETICAMENTE PIACEVOLE E SOPRATTUTTO FUNZIONALE. MATERIALI E FORME PENSATE PER FACILITARE LA PULIZIA DELL'AMBIENTE LASCIANDO COMUNQUE AMPIA POSSIBILITÀ DI SCELTA PER SODDISFARE QUALSIASI ESIGENZA STILISTICA. MODELLI IN APPOGGIO O INTEGRATI AL TOP PER COMPLETARE L'ARREDO BAGNO.

The sink is an element of daily use, which must therefore be aesthetically pleasing and above all functional. Materials and shapes are designed to facilitate cleaning of the environment while still leaving ample choice to satisfy any stylistic need. Free-standing or integrated models on the top to complete the bathroom furnishings.

CONDIZIONI GENERALI DI VENDITA

CONDIZIONI GENERALI DI VENDITA DI MOBILI E COMPLEMENTI ADATTOCASA

Listino prezzi in punti

1 punto = 1 € IVA esclusa

ORDINI

Gli ordini sono subordinati all'approvazione della ditta. Eventuali richieste di modifiche verranno accettate e apportate solo se pervenute entro 3 (tre) gg dalla data di ricezione degli stessi.

TERMINI DI CONSEGNA

I termini di consegna esposti nelle conferme d'ordine hanno unicamente valore indicativo. Non si accettano penalità né responsabilità per ritardata consegna.

PAGAMENTI

I pagamenti devono essere fatti direttamente e soltanto alla nostra sede. Non si riconoscono pagamenti fatti a terzi anche dipendenti della ditta, se non espressamente autorizzati per iscritto. In caso di ritardo nei pagamenti decorreranno gli interessi nella misura del tasso applicato dalla Banca Centrale Europea per i propri finanziamenti aumentato di sette punti, come disposto dal D. Lgs n. 231 / 2002.

CONSEGNE - TRASPORTI

La consegna si intende valida ad ogni effetto, anche se fatta a mezzo spedizioniere o vettore. Spetta al destinatario verificare il numero dei colli e lo stato dell'imballaggio prima del ritiro e fare le dovute riserve al vettore, spedizioniere, essendo questi ultimi responsabili di mancanze o avarie, che non potranno in alcun modo e per nessuna ragione essere imputate alla fornitrice.

TOLLERANZE

I colori dei campioni di legno sono puramente indicativi, essendo tecnicamente impossibile garantire il colore a lunga distanza di tempo. Il compratore, confermando l'ordine deve accettare tali tolleranze di colore.

MODELLI E MODIFICHE

Tutte le descrizioni, specifiche, particolari contenuti in questa brochure intendono rappresentare un'idea generale degli articoli e non impegnano l'azienda in alcun modo da un punto di vista contrattuale o di responsabilità collaterale. Nell'ottica di un continuo sviluppo del prodotto, la ditta si riserva il diritto di cambiare specifiche, design e materiali in qualsiasi momento e senza preavviso.

RECLAMI

I reclami, di qualunque genere essi siano, dovranno essere inviati entro otto giorni dal ricevimento della merce.

RESTITUZIONI

Non si accettano resi di merce, se non espressamente autorizzati per iscritto e franchi di ogni spesa al magazzino della nostra sede.

CONSEGNE DIFFERITE O RIPARTITE

La ditta si riserva il diritto di sospendere le consegne, differite o ripartite, in qualunque caso di inadempienza, anche parziale, dell'acquirente agli obblighi assunti.

VALIDITA' DEL LISTINO

Il presente listino annulla tutte le precedenti quotazioni, in qualsiasi forma stabilite, e può essere variato senza avviso.

FORO COMPETENTE

Per qualsiasi contestazione sarà competente il foro di Treviso.

GENERAL SALES CONDITIONS FURNITURE AND ACCESSORIES ADATTOCASA

Price list in points

1 point = 1 € RRP excluding VAT

ORDERS

Orders must be accepted by the company. In case of requests for changes, the company will accept it only within 2 (two) days from receipt of the order.

DELIVERY TERMS

The delivery terms shown on the confirmation of order have only an indicative value. Penalties and responsibility due to delayed delivery are not accepted.

PAYMENTS

Payments have to be effected directly and only to our head office. We cannot accept payments effected to a third part, even if they are employed by the firm, unless expressly authorized in writing. In case of delay payment, commercial interests will be calculated in the amount of BCE official rate plus 7%, in application of Italian law (D. Lgs. n 231 / 2002).

DELIVERY – TRANSPORT

Delivery is valid to all intents and purposes, even if it is acted through forwarding agent or carrier. The receiver has the task to verify the number and the packing of the items before withdrawing them, and has to make the due reserves to the forwarding agent or carrier, being the latter responsible for lacks or damages, which could not in any way and for any reason be attributed to the supplier.

ALLOWANCES

The colours of wood samples are only indicative, being technically impossible to assure the firmness of colour at a long distance. The buyer, passing orders, is intended to accept such colour allowances.

CHANGES

All descriptions, specifications and particulars reported in this brochure are intended solely to represent a general idea of the goods contained herein and none of these form part of any contract or give rise to any independent collateral liability upon the Company. Owing to our policy of continuous product development, we reserve the right to change specifications and designs at any time without prior notice.

CLAIMS

Claim of any kind must be made within eight days from receipt of the goods.

RETURNS

Goods returns are not accepted back unless expressly authorized in writing, and forwarded free of charge to the warehouse of our company.

DELAYED OR PARCELLED OUT DELIVERY

The firm reserves the right to suspend deliveries, delayed or parcelled out, in any case of non-compliance (even partial) with the obligations assumed by the buyer.

PRICE LIST VALIDITY

This price list cancels all the previous quotations, enforced or established in any way, and it can be changed without prior notice.

COMPETENT COURT

For every contest the Foro of Treviso will be competent.

GARANZIA DI CONFORMITA' E RESPONSABILITA' PER DANNO DA PRODOTTO DIFETTOSO

La ditta LEGNOX SPA attesta che i mobili sono Made in Italy e garantiti per 2 (due) anni. La garanzia vale per due anni a decorrere dalla data di emissione della fattura da parte di LEGNOX SPA.

In caso di reclamo la fattura dovrà essere esibita unitamente alla foto dell'etichetta identificativa applicata su ogni articolo (riportante la data di produzione dello stesso). La garanzia copre eventuali difetti presenti nei mobili e complementi d'arredo oggetto delle forniture. La garanzia non viene applicata a prodotti che sono stati conservati o montati in modo non adeguato, che sono stati manomessi, alterati o puliti con procedure e prodotti non idonei o diversi da quanto riportato nelle schede fornite con i prodotti. La garanzia non viene applicata se i prodotti sono stati collocati in ambienti esterni o umidi o diversi da quanto riportato nelle schede fornite con i prodotti. La garanzia si riferisce solo ad uso domestico dei prodotti e non copre danni indiretti o incidentali. E' esclusa la garanzia per difetto di conformità se al momento dell'acquisto il consumatore era a conoscenza del difetto, o se non poteva ignorarlo con l'utilizzo della normale diligenza, o se il difetto di conformità deriva da alterazioni derivanti dal consumatore stesso. La garanzia è a vantaggio del cliente utilizzatore finale del prodotto e non è trasferibile. I mobili e i complementi d'arredo sono disegnati e progettati per dare massima garanzia di durata nel tempo.

Raccomandiamo che il prodotto sia trattato con cura, prestando particolare attenzione agli accorgimenti di seguito indicati:

Eseguire la pulizia dei prodotti utilizzando semplicemente un detergente delicato ed asciugando subito con un panno morbido. Non utilizzare prodotti a base alcolica, abrasiva o solventi.

Effettuare le operazioni con cautela, allo scopo di non rovinare le superfici. Evitare prodotti contenenti sostanze abrasive o panni che possano danneggiare le superfici. Il montaggio dei prodotti va eseguito seguendo le istruzioni indicate nella scheda fornita con il prodotto.

La stabilità e la portata dei prodotti sono garantite solamente da un corretto montaggio e dal rispetto delle indicazioni fornite. I ripiani non sono da considerarsi in nessun caso come piani di lavoro.

Distribuire i carichi in modo uniforme su mensole, ripiani e cassetti, rispettare la portata massima indicata nella scheda di istruzione fornita con il prodotto.

Il fissaggio a parete dei mobili deve essere effettuato solo dopo attenta verifica della idoneità e della resistenza dei materiali che compongono la parete.

Tasselli e viti di fissaggio a parete non sono forniti. Utilizzare dispositivi adeguati alla parete.

Non sedersi e non salire in nessun modo sui mobili, sui ripiani o sui cassetti.

Non appendersi alle ante e alle maniglie.

Non aprire contemporaneamente più cassetti.

Non porre i mobili o parti di essi in prossimità o in contatto con fonti di calore superiori ai 45° o inferiori ai -10°.

Evitare la stagnazione di acqua o liquidi sulla superficie dei prodotti.

Assicurarsi che i prodotti siano posti in stanze con adeguata ventilazione e ricambio di aria.

Il Fornitore declina ogni responsabilità derivante da un uso improprio del prodotto. L'umidità (vapore e acqua) accelera l'invecchiamento dei prodotti e può causare un degrado anomalo, come il rigonfiamento dei pannelli di legno.

Per aumentare la longevità dei prodotti consigliamo di proteggere il prodotto dagli spruzzi di acqua, di pulire ed asciugare eventuali residui di acqua.

La manutenzione regolare può mantenere lo splendore originale dei vostri prodotti.

Non sono considerati difetti gli effetti della normale usura o le variazioni di colore dovute al tempo, alla luce, ai vapori, a danni provocati da urti o incidenti e agli altri fattori caratteristici dell'ambiente bagno.

Sono escluse dalla garanzia le lampade e le lampade incluse nelle specchiere, i trasformatori e tutte quelle parti che dovessero risultare difettose a causa della negligenza o dell'utilizzo in modo diverso da quanto previsto nella scheda fornita con il prodotto. In caso di contestazione, LEGNOX SPA dopo aver esaminato e approvato il danno provvederà alla sostituzione dell'articolo entro 30 gg, tramite fornitura del prodotto in sostituzione. Qualora l'articolo non fosse più disponibile, la ditta LEGNOX SPA provvederà alla sostituzione con un prodotto di valore uguale o paragonabile nel rispetto della normativa vigente. Non si accettano resi di merce, se non espressamente autorizzati per iscritto.

GUARANTEE OF COMPLIANCE AND LIABILITY FOR DAMAGES CAUSED BY DEFECTIVE PRODUCTS

LEGNOX SPA certifies that the products are Made in Italy and supplied with a 2 (two) years warranty. The warranty is valid for two years starting from the date of the invoice issued by LEGNOX SPA.

In case of complaint, the invoice must be shown together with the photo of the identification label applied to each item (showing the production date of the item). The warranty guarantees eventual defects present in the furniture and furnishing accessories supplied. The warranty does not apply to products that have been stored or mounted in an inadequate manner, that have been skewed, altered, or cleaned with unsuitable procedures and products or different from those indicated in the instruction sheets. The guarantee does not apply if the products have been placed outdoors or in damp environments or different to the ones indicated in the instruction sheets. The guarantee refers only to a domestic use of the products and does not cover indirect or incidental damages. The guarantee for lack of conformity is excluded if at the time of purchase the consumer was aware of the defect or if he could not ignore it with the use of normal diligence or if the lack of conformity derives from instructions or materials provided by the consumer himself. The guarantee is for the benefit of the original buyer of the product and in no case it is transferable. Furniture and accessories are designed to give the maximum guarantee of durability. We recommend that the product is treated with care, paying particular attention to the following precautions:

Clean the parts of the furniture / accessories using a mild and neutral detergent and dry immediately with a soft cloth.

Do not use alcohol-based products, abrasive or solvents.

Carry out the operations with caution and delicacy in order not to ruin the surfaces.

Avoid products containing abrasive substances or cloths that can damage the surfaces.

The assembly of the products must be carried out following the instructions provided in the instruction sheet supplied with the furniture / complement..

The stability and load-bearing capacity of the products are only guaranteed by correct assembly and compliance with the instructions supplied with the furniture / complement.

The shelves / tops are in no case to be considered as work surfaces.

Distribute the loads in a uniform manner on shelves, tops and drawers, respecting the maximum capacity indicated in the instruction sheet supplied with the furniture / complement.

The wall fastening of the furniture must be carried out only after careful verification of the suitability and resistance of the materials that make up the wall.

Wall anchors and screws are not supplied.

Use suitable devices for the wall.

Do not sit and not step on the furniture, shelves / tops or drawers with your feet.

Do not hang on the doors and handles.

Do not open multiple drawers simultaneously.

Do not place the furniture / accessories or parts of them near or in contact with heat sources over 45° C or under -10°C.

Avoid stagnation of water or liquids on the surface of furniture / accessories.

Make sure that the furniture / components are placed in rooms with adequate ventilation and air exchange.

LEGNOX SPA declines any responsibility deriving from an improper use of the product.

Water, humidity and steam accelerate the aging of furniture / accessories and can cause abnormal degradation, such as swelling of wooden panels.

To increase the longevity of the furniture / accessories, we recommend to protect the furniture / accessories from splashes of water, to clean and dry any residual water / humidity.

Regular maintenance and cleaning of surfaces can maintain the original beauty of your bathroom furniture. The effects of normal wear or colour variations due to time, light, steam, damages caused by knocks or accidents and other factors characteristic of the bathroom environment are not considered defects.

Are excluded from the warranty the lamps, spot integrated in the mirrors and the transformers and all those parts that may be defective due to negligence or use in a different way from those indicated in the instructions sheets. In the event of a dispute, after having examined and approved the damage, LEGNOX SPA will replace the item within the shortest possible time. If the article is no longer available, LEGNOX SPA will replace it with a product of equal or comparable value in compliance with current legislation. Returns of goods are not accepted unless expressly authorized in writing by LEGNOX SPA.
